Subject: [Universiti Kebangsaan Malaysia] Call For Application for Student Exchange Program Spring 2024 Semester (Semester 2, AY 2023/2024)

To:

Dear Valued Partners,

Warm greetings from Universiti Kebangsaan Malaysia!

We are delighted to announce that the application for the **UKM Semester Exchange Program for the Spring 2024 semester** is now open, and we are pleased to invite your students to apply!

Spring 2024 Semester Dates: 11 March 2024 - 21 July 2024

Kindly please refer to the following steps to apply for the program:

STEP 1: Nomination by Home University's Coordinator

- To nominate your student, please kindly fill out the **Nomination Form (ZIP file attached to this email)**, with the student's information.
- The deadline for nomination is until **5th January 2024, 11.59 PM (GMT+8)**.
- The nomination form must be emailed to **exchange@ukm.edu.my** only by the home university coordinator or International Office. **Direct applications by students will not be accepted.**
- If you have not received a nomination confirmation from us for more than two weeks, kindly please notify us via email at **exchange@ukm.edu.my**.
- **In the event of a late nomination, please contact us in advance.**

STEP 2: Completed Student Application Form

เรียน อธิการบดี

ด้วย Universiti Kebangsaan Malaysia (UKM) ประเทศมาเลเซีย ประชาสัมพันธ์โครงการแลกเปลี่ยน “2024 UKM Spring Semester Exchange Program” เปิดรับสมัครนิสิตระดับปริญญาตรีไปศึกษาตามสาขาวิชาที่สนใจในระหว่างวันที่ 11 มีนาคม - 21 กรกฎาคม 2567 โดยนิสิตสามารถเลือกสาขาวิชาที่ต้องการได้จาก 10 คณะ (เลือกได้เพียง 1 คณะ) รายละเอียดดัง Link แนบนี้ <https://www.ukm.my/pha/etc/>

ทั้งนี้ผู้สนใจเข้าร่วมจะต้องมีคุณสมบัติตามที่ UKM กำหนด และเป็นผู้รับผิดชอบค่าใช้จ่าย รายละเอียดดังเอกสารแนบ และขอได้โปรดศึกษารายละเอียดเพิ่มเติม โดยสแกน QR Code ด้านล่างหรือ <https://shorturl.asia/nCHOT>

จึงเรียนมาเพื่อโปรดพิจารณา เห็นควรแจ้งประชาสัมพันธ์ คณะ/วิทยาลัย ผ่านระบบ E-Doc เว็บไซต์กองพัฒนาภาษาฯ และประชาสัมพันธ์ผ่านเฟสบุ๊ค NU International Scholarships ต่อไป และหากมีนิสิตประสงค์เข้าร่วมโครงการ ขอได้โปรดเสนอชื่อพร้อมเอกสารการสมัครมายังกองพัฒนาภาษาฯ และกิจการต่างประเทศ ภายในวันที่ 2 มกราคม 2567 เพื่อเสนอชื่อไปยัง UKM ต่อไป

ณัฐ
11 20 ธ.ค. 66

รักษาการในตำแหน่งผู้ช่วยอธิการบดีฝ่ายต่างประเทศ

pm

ลงชื่อ

(ดร. พิสุทธิ อภิขยกุล)

รองอธิการบดีฝ่ายวิเทศสัมพันธ์และการถ่ายทอดเทคโนโลยี

ปฏิบัติราชการแทน อธิการบดีมหาวิทยาลัยนเรศวร

วันที่ 22/12/60

- Kindly please submit your **student's Application Form (ZIP file attached to this email)** and all the required supporting documents to exchange@ukm.edu.my by **10th January 2024, 11.59 PM (GMT+8)**. Please ensure documents are merged into one PDF file for each applicant (if nomination is more than one).
- **In the event of a late submission, please contact us in advance.**
- Only nominated students who pass the documents screening will be eligible to enroll at UKM.
- Students will be informed of their application status/outcome after the deadline.
- We aim to communicate the outcome of the applications no later than **1st February 2024**.

Additional Information Regarding Application for On-Campus Accommodation

- UKM Global will assist in making the accommodation arrangements at the **Ibu Zain Residential College, which is located at the UKM Bangi campus**. If you wish to apply for this on-campus accommodation, please fill in the Application Form for On-Campus Accommodation (attached) and submit it to us **at least 45 days before you arrive**.
- For more information, you can access our webpage here: <https://www.ukm.my/pha/exchange/#after-applying>
- Note: Since on-campus accommodation is quite limited, note that late submission will not be entertained and students are required to make their **arrangements**.

****Students are required to make a deposit payment worth one month's rental fee plus the first month's rental fee (1+1) during the check-in day.****

Within this email, please kindly find the attached Factsheet of the Exchange Program. We have also attached the Excel file to be filled in for the student's nomination. Please ensure to nominate your students **no later than January 5th, 2024**.

We sincerely hope you can disseminate this information to your students. Thank you very much for your kind attention and cooperation. If you have any questions, please don't hesitate to contact us via email at exchange@ukm.edu.my.

We are excited and look forward to welcoming your students to our campus! Wishing you a great week ahead.

****** If you are not in charge of this program, we kindly ask your cooperation to forward this message to the person in charge on your side. ******

Best regards,

Exchange @ UKM Global

International Relations Centre (UKM Global)

| TTH2843 | Multimedia Programming | 3 | This course aims to provide basic programming skills in the development of multimedia applications using object-oriented programming approach and the embedded libraries. Generally, this course can be divided into two parts. The first part will provide the students with basic skills of programming such as functions, methods, constructs, class, control structures, loops and arrays to program multimedia elements such as graphics, text, buttons, audio, video and animation. The second part of this course will focus on designing and developing multimedia applications such as games and mobile applications. | 2 |

| Code | Course | No. of Credit | Description | Semester Offered |
|----------|-----------------------------------|---------------|---|------------------|
| TTTU2323 | Principles of Information Systems | 3 | This course introduces students to Information Systems (IS) and how different ISES are used in an organization. This course focuses on how the main components of IS such as human, software, hardware, data and communication technology can be integrated and managed to achieve competitive advantage for the organization. Students will understand how information and communication technology may improve the quality and performance of the organization. This course also provides an introduction to systems and development concepts, technology acquisition, and various types of application software that have become prevalent or emerging in current times. | 2 |
| TTTR2033 | Quality Management | 3 | The aim of this course is to present concepts and techniques of quality management in IT services. These techniques will be introduced in this course and how they can be applied in IT service processes based on ITIL. This quality management is based on continual loop that provides a quality improvement cycle for products and services. It starts with defining key measurable objectives, and resulting in implementing solutions and sustaining improvement. The loop complements ITIL improvement process steps. These improvement steps (to measure, analyse and improve service quality) will employ SPC tools. | 2 |

| EPPM4014 | Strategic Management | 4 | This course aims to expose students to strategic management of business entities. Students will be informed of the needs and responsibilities of the top management in sustaining or increasing competitiveness through planning and implementing strategies. This course also helps students analyze the internal and external environments of business entities, and provides guidance on how to develop and implement appropriate strategies for a business entity. Students will be trained to analyze internal and external business environment, and will be guided to develop and devise strategic implementation plan for a company. In addition, this course will also discuss global issues and current trend faced by the top management of a company. | 2 |
| EPPM4433 | International Finance | 3 | This course aims to provide understanding on significant issues in international finance. It also aims to expose students to techniques used to handle those issues. The discussion covers topics related in multinational environment, determination and exposure of exchange rates, management approaches in exchange rates exposure, international working capital, investment and financing specifically on foreign direct investment (FDI), global capital budgeting and international trade financing. | 2 |
| EPPM2014 | Business Communication | 4 | Business Communication teaches the students to improve their communication skills as the main basis of their career success. This course enables students to understand the factors that influence the effectiveness of business communication. They are taught various elements of communication skills such as intercultural communication as well as verbal and non-verbal messages. Students will become knowledgeable to communicate in various job situations, work in teams, think critically and use technology to communicate effectively and productively. They will be given the platform and guidance in the form of industrial collaboration, in building resume and video resume, hence being ready to participate in mock interview. | 2 |
| EPPA4716 | Integrated Case Study | 6 | This course exposes students to real business cases which integrate knowledge from financial accounting, management accounting, taxation, audit, finance, management and business related information technology and other social science courses. The use of cases will enable and develop critical thinking and rational decision making. Experiential exercises are embedded in this course to support learners' effort in independent learning. Learning process will be captured through discussion and presentation in small groups. | 2 |

| LMCP1412 | Entrepreneurship and Leadership | 2 | The purpose of this course is to integrate theory and practice. The course approach will be hands-on using workshops style of class to discuss case studies, analyse successful CEOs leadership strategies, apply leadership skills in problem solving of small businesses issues. Students will learn the meaning of leadership from many disciplines, how to make decisions as a leader who might be initiator/innovator/driver based on inputs such as business environments, economy, social and science and technology development. Students will do case study analysis using technical and scientific method by collecting data and information about the viability and feasibility of a business. Students will learn the skills of leadership and entrepreneurship based on this experience. Students will also do metacognitive reflection on the activities conducted in this class. | 2 |
| LMCR1102 | Volunteerism and Social Service | 2 | This Volunteerism course is designed to introduce the skills in organizing programmes / activities voluntarily in a multi-ethnic society. Emphasis will be given to theories, practices, issues, problems and challenges in organizing programmes / activities voluntarily towards social transformation. Learning activities include group-work interaction, simulation, business correspondences and fieldwork in multi-ethnic communities. | 2 |
| LMCR1252 | Pronunciation in English | 2 | This course provides students with the knowledge and practice in English language pronunciation. Students will be exposed to aspects of sound and prosody to help them understand and use the correct pronunciation when communicating verbally in English. The course is interactive and adopts an experiential learning approach. Various activities such as audio, pronunciation practice and role plays will be carried out. | 2 |
| LMCR1632 | Shadowing Technique in English | 2 | This course is offered to students who are interested to improve their English pronunciation and prosody, by using Shadowing technique. Shadowing technique is a technique where students shadow/echo the pronunciation and prosody of the native speaker in a chosen audio or video. Students are first trained to listen intently to the audio or video input. For this purpose, students will also be exposed to correct English pronunciation and prosody used in individual speeches, conversations in pairs and in groups. This course includes the use of audio and video references, and it adopts an interactive tutorial and learner-centred approach. | 2 |
| LMCR2152 | Human Rights | 2 | Students will be exposed to the development of systems, laws and norms related to human rights in the world today. The history of the development of human rights will be explained including political, sociological and philosophical sources. Important issues related to human rights will be discussed, including the uniqueness of human rights in Malaysia and the role of Malaysian Human Rights Commission (SUHAKAM). Discussions are based on the perspective of ideology and culture, national, regional and United Nations systems. | 2 |
| LMCR2252 | Managing Emotion | 2 | This course aims to introduce students on the basic concepts, theories and practices of managing emotion in life. Among basic aspects introduced are on how emotions arise and change, and also factors influencing the arousal of emotion according to the gender, age and cultural differences. The course emphasizes the mechanism of emotion changes and how they are applied in the management of emotion process. Students are given exposure on various ways and training on how to manage emotions at individual, family, societal and environmental levels. Training on the emotion management are conducted via paired group work, demonstration, counselling session, and also research on the actual cases involving emotion conflicts and presentation of interview fieldwork research on management of emotions. | 2 |
| LMCR2282 | Gaining Confidence Through Storytelling | 2 | This course uses storytelling as a learning tool to encourage and heighten the students' ability to communicate thoughts and feelings in an articulate and confident manner. Students will select a story and learn how to tell it. They will learn the components of effective communication including visualization, summarization, identification of emotions and mood, addition of voice and gestures, and connection to real life. By using good eye contact and 'reading' body language storytellers communicate with their audience. The activities and skills that they learn should give them the confidence in dealing with challenges in their studies and throughout life. | 2 |
