CALL FOR PROPOSAL

International Forum on Sustainable Development of the Mekong Delta – SDMD 2024

Dear Distinguished Guests,

Within the framework of the Sustainable Development Program for the Mekong Delta Outlook 2045 (SDMD 2045), Can Tho University cooperates with domestic and international partners to organize the Biennial International Forum. SDMD 2022 has received great attention and support from the government, local authorities, domestic and international scientists, businesses, and organizations.

In this connection, Can Tho University organizes the International Forum on Sustainable Development of the Mekong Delta - SDMD 2024 with the theme "Industrialization - Modernization associated with the development of economy, culture, society, and humanities, and environmental protection" in October 2024 at Can Tho University.

The forum focuses on the following main possible topics:

- (1) Industrialization and modernization: the driving force of technical technology - information technology
- (2) Environment, economy, society, and humanity in the process of industrialization and modernization
- (3) Food: production and consumption for the present and future
- (4) Education and health - integration and development
- (5) Innovation and Entrepreneurship

Find more information about the Forum at the website: <https://sdmd2045.ctu.edu.vn>

Can Tho University welcome your submission to participate in the forum. Papers that are reviewed and evaluated by the Review Committees will be facilitated for publication in the SDMD 2024 Thematic Issue of Can Tho University Journal of Science.

Guidelines for formats: Please read the information carefully before you start to submit your proposal online via the link: <https://ctujsvn.ctu.edu.vn/index.php/ctujsvn/guide-for-authors>.
