Types of Study Plan

1. **Plan A** is research-oriented. Students are required to complete a thesis by conducting research to build a body of knowledge in their fields of study. There are two sub-plans:

1) **Plan A 1** is a thesis-based plan equivalent to 36 credits.

2) **Plan A 2** is a thesis-based plan which includes both coursework and thesis. The thesis work should be at least 12 credits

2. **Plan B** is coursework-oriented. Students are not required to complete a thesis but are required to complete an independent study of at least 3 credits but no more than 6 credits.

However, the university may require additional credit and non-credit courses or other academic activities. Regardless, students must complete the program with outcomes as specified by the university.

Scholarship's terms and conditions

No	Discipline	Degree	Nationality	Admission requirements	Course coordinator (s)
<p>Naresuan University offers ONLY 1-2 scholarships for 2024 Thailand Scholarships. During the period of the scholarship, the grantee must strictly follow the scholarship's terms and conditions as follows:</p> <ol style="list-style-type: none"> The grantee needs to fulfill the publication requirement as follows: <ul style="list-style-type: none"> For Study Plan A1: the grantee must publish at least 1 full paper in an international journal indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School. For Study Plan A2: the grantee must publish at least 1 full paper in an international journal or proceedings of an international conference indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School. The grantee must explicitly identify the granted scholarship from Naresuan University in the published study/studies and thesis presenting the grantee's work. The grantee must act as a teaching assistant (TA) and/or research assistant (RA) as specified by the thesis advisor/assigned advisor. The grantee must maintain a Cumulative Grade Point Average of ≥ 3.25 at the end of each academic year. For a research-based student, the academic advisor will submit an evaluation at the end of each semester. Failing to meet this requirement will result in a termination of the scholarship. The grantee must pay attention to his/her study by following the guidance of his/her advisor. The grantee is required to complete the study without any willful abandonment of the scholarship. If the grantee receives another scholarship, research fund, or any other kinds of funding, the granter reserves the right to adjust the scholarship in accordance with the terms and conditions of this scholarship agreement. If the grantee is unable to follow the conditions specified in this agreement, the granter reserves the right to terminate the scholarship in accordance with the terms and conditions of this scholarship agreement. The granter is authorized to revoke the scholarship should the grantee is found to behave inappropriately or to fail academically. The grantee must be a full-time student, must strictly follow his/her study plan, and must maintain his/her student status until he/she finishes the study. Changing the field of study will result in the termination of the scholarship; the grantee however may continue his/her study by paying for his/her own expenses upon consideration of the accepting Faculty. The grantee who is required to repeat a course/courses must do so by paying the tuition fees for the course/courses by himself/herself. If the grantee is accepted into the study program as a conditionally accepted scholarship student because he/she has not yet submitted a qualified English proficiency test score as indicated in Naresuan University Graduate School's Announcement of English Language Proficiency Criteria for Graduate Students, the grantee must submit a qualified English score by the end of the first semester of his/her study as a scholarship student at Naresuan University in order to continue the study as a scholarship student. The grantee who requests an extension for the study period can continue the study by paying for his/her own expenses. Any scholarship extension proposed to the university will not be considered. If the grantee is unable to complete the study within the timeline of the study plan, he/she will remain a student of Naresuan University and will be expected to complete the study within 5 years at a Master's degree level, which includes both the scholarship period and the extension period. Should the grantee, who receives on-campus housing as part of their scholarship condition, decide to stay off-campus, all incurred expenses must be paid for by the grantee himself/herself. The grantee understands that the allocation of occupancy slots at on-campus accommodation are strictly observed and will not be re-arranged. The grantee also understands that he/she is not entitled to request a room at a university staff member dormitory; such a request will be rejected. Should the grantee complete his/her study before the indicated length of study, the already deposited monthly stipend must be returned to the university as calculated based on the actual date of study completion. If there is any dispute regarding the Contract, the decision of the President shall prevail.
