NEC Group Company Profile

Nahleh Educational Consultations (NEC Group) is a well known company accredited by Ministry of Higher Education and Scientific Research established in Amman, in 1963. For more than sixty years NEC group have been providing all international educational services for students who are eager to pursue and continue their education and study abroad.

Our Group provides the best educational services and the suitable solutions for studying abroad through qualified well trained educational consultants and provides support to secure seats for all academic specializations and for all scientific degrees for various universities and colleges worldwide including Canada, USA, Turkey, Malaysia, Australia, New Zealand, UK, etc in addition to many other educational institutions, which are accredited by the Jordanian Ministry of Higher Education and Scientific Research

Our Mission is to serve students with outstanding educational solutions and attract them through accomplishing great academic goals within the education field. In addition to that and through our marketing plan we have been serving education seekers and have been sending true qualified students to study abroad and pursue their academic path by helping them to find the right educational institution suitable area of study.

Our Services

NEC – Group specifically provides the following services:

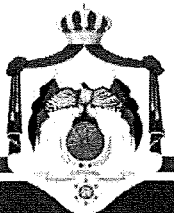

1. Applying for universities and obtaining acceptance letters for students for all programs.
2. Providing students with the information they need about the university, area of study, fees & tuition, accommodation and the country's lifestyle, laws and regulations.
3. Providing logistic help that the student needs in respect to the application.
4. NEC - Group intends to hire contact persons in target countries to assist students upon their arrival to the respective country; helping them settle down, as well as to organize seminars to better orient students with their school.
5. Helping students and keeping in touch with them after they arrive to their school abroad
6. Helping students to find the right accommodation if the school does not provide one.

NEC-Group aims to gain a leading position in Jordan and in the Middle East in relation to the education field.

As a result, our group intends to enrich its relations with the existing partner educational institutions and create new bonds with new ones to provide potential students with better and extended educational services.
