Greetings from The Open University of Sri Lanka!

Dear Esteemed Academics and Researchers,

The Organizing Committee of the International Research Conference (IRC) at the Open University of Sri Lanka (OUSL) 2024 is delighted to extend an invitation to submit your research findings for presentation at our prestigious event.

The Open University of Sri Lanka, located in Nawala (Colombo) is a state university in Sri Lanka that offers degree programs in Education, Engineering Technology, Health Sciences, Humanities and Social Sciences, Natural sciences, and Management Studies. The OUSL has a rich history of providing quality education through innovative and flexible learning methodologies. OUSL degrees are considered on-campus and full-time.

The IRC-OUSL (formerly known as iOURS) is an annual conference that serves as a prominent platform for scholars and researchers worldwide to disseminate their research and engage in meaningful discussions on pertinent global issues. This year, the conference theme is **"Striving for a Sustainable Future through Innovation."** The conference will take place on the 7th and 8th of November 2024, adopting a hybrid format.

Join us in contributing to the advancement of knowledge and the promotion of sustainable solutions for a better future. We look forward to your valuable contributions and participation in IRC-OUSL 2024.

For more information and updates, please visit our website [<https://ours.ou.ac.lk/>]

Best Regards,

Chandi Perera  
Assistant Director

# The Open University of Sri Lanka

The Open University of Sri Lanka (OUSL) is the only National University which offers a wide range of academic programmes of study through the Open and Distance Learning (ODL) mode.

The flexibility and ease of access of this system has enabled the University to cater to the needs of prospective students from all parts of the country, regardless of their level of formal education, socio-economic background or age. It offers Certificate, Diploma, Degree and Postgraduate Degree programmes in a wide range of disciplines through its Six Faculties, namely, Education, Engineering Technology, Health Sciences, Humanities & Social Sciences, Management Studies, Natural Sciences and the Postgraduate Institute of English (PGIE).

The Open University takes special interest in fostering research and scholarship, and is a pioneer in research in Open and Distance Learning.

Please visit :  
[www.ou.ac.lk/irc-ousl/](http://www.ou.ac.lk/irc-ousl/) for payment mode details

● Authors should submit blind abstracts and extended abstracts (NOT including authors' names) through the Microsoft CMT online submission system (<https://cmt3.research.microsoft.com/IRCOUSL2024>), and details of ALL AUTHORS must be added to the Authors section of the CMT Conference Management Toolkit submission page.

● Authors should ensure to use the template of extended abstract, which can be downloaded in the IRC-OUSL 2024 official webpage, leaving sufficient space to add names of authors and their affiliations.

● Research work presented or published elsewhere will not be considered.

● If plagiarism is detected, abstracts will be rejected without further consideration.

● Editorial Board reserves the right to change the theme of the abstract selected by the authors to a more relevant theme, if necessary.

● Authors should send the Author Declaration Form signed by all the authors, to be received by the Research Unit of OUSL at the time of submission of abstracts

Abstracts will be published as conference proceedings and pre reviewed extended abstracts will be published online
