demands. Therefore, Open Science is at the heart of European research policy and a priority of its key research funding framework Horizon Europe.

As Singapore and Europe deepen their research cooperation, embracing Open Science is crucial. This approach not only enhances the quality and impact of research but also accelerates the development of innovative solutions to global challenges, including Climate Change and the achievement of the Sustainable Development Goals.

In conjunction with the Singapore Open Research Conference 2024, the European Union Delegation to Singapore and EURAXESS ASEAN will organise an EU-Singapore Research and Innovation Community Meeting on "Open Science".

We warmly invite researchers, academics, PhD students, innovators, business representatives, policy makers and professionals from various disciplines with expertise and/or strong interest in the topic of Open Science to join us:

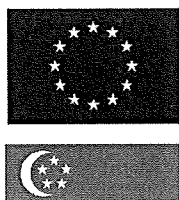

WHEN: Monday, 11 November 2024, 18:30 - 20:30

WHERE: Shaw Foundation Alumni House, Kent Ridge Drive, National University of Singapore, 119244

The Community Meeting is an in-person event. There are no registration fees.

Register here by 1 November 2024

Invited speakers are:

- Her Excellency Iwona Piorko, European Union Ambassador to Singapore
- Professor Liu Bin, Deputy President (Research and Technology), National University of Singapore
- Professor Lim Kah Leong, Associate Vice President (Biomedical & Life Sciences), President's Chair in Translational Neuroscience, Professor, Lee Kong Chian School of Medicine, Nanyang Technological University
- Mr Benoit Sauveroché, Science Counsellor, European Union Delegation to Singapore
- Ms Cristina Gomez-Corchete, Coordinator, EURAXESS Worldwide

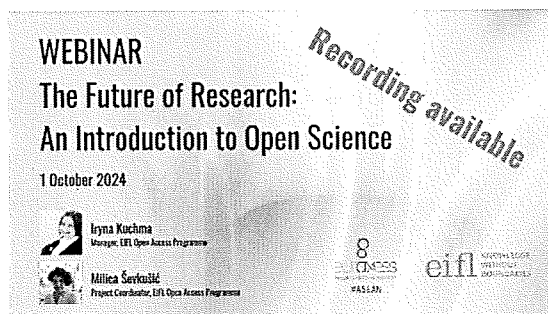

The Meeting is part of an events series by EURAXESS ASEAN that aims to encourage interdisciplinary dialogue between researchers and innovators from Singapore, Southeast Asia and Europe. The Community Meeting will include Opening Remarks by European and Singaporean representatives from the academia and government, as well as a short introduction on Europe's Open Science approach in policy and research practice. Find out more about the Meeting on our [website](#).

We look forward to seeing you!

Warm regards,

Your EURAXESS ASEAN team
