วันที่ 13/1/18

Dear EURAXESS ASEAN Community,

Happy New Year! We hope you had a good start and wish you all the best and a prosperous 2025 filled with many new possibilities and breakthroughs.

As we begin the new year, it is time to think about goals! Check out our ideas and list of 25 New Year Resolutions for researchers to make the most of Horizon Europe this year. You can do it!

To help you get a head start on opportunities under Horizon Europe, we are kicking off our first activity in 2025 next week: An introductory Webinar on Horizon Europe and EURAXESS. We look forward to seeing you next week and/or during one of our many events in the region in the coming months. Keep an eye on our 2025 Activity Calendar which will be published soon.

Warm regards,

Your EURAXESS ASEAN team

Introductory Webinar

Are you a researcher or innovator who looks for funding, collaboration, or career opportunities in Europe? Join us for our first webinar in 2025 where we will provide a general overview of the Horizon Europe framework, the EU's largest research and innovation funding programme, and key resources and features of the EURAXESS platform, the gateway to international research collaboration and mobility. A useful session for those who wish to refresh their knowledge and be updated on key information.

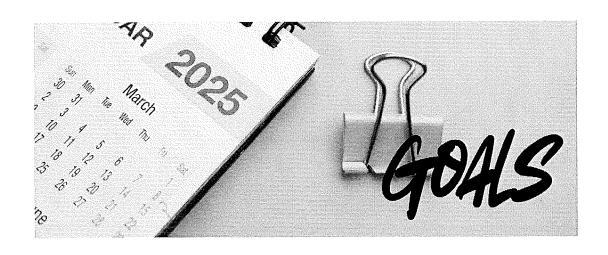

Date: Tuesday, 14 January 2025

Mode: Zoom

Ideas - 25 New Year Resolutions from EURAXESS ASEAN

- 1. Create an <u>EU Login Account</u> to unlock the vast resources, funding opportunities, and collaborative networks which the EU offers.
- 2. **Another Must-have:** be part of a community of over 100,000 researchers worldwide and <u>create your profile</u> on the EURAXESS platform.
- 3. Keep updated on our activities in the region and **register for the <u>EURAXESS ASEAN</u> Newsletter.**
- 4. Attend one of our trainings on Horizon Europe to be prepared to apply for an MSCA funding opportunity, ERC grant or a grant for an institutional partnership.
- 5. Collaborate with EURAXESS ASEAN and **co-organise a workshop** on Horizon Europe opportunities at your institution!
- 6. Get inspired and advance your career: browse through thousands of vacancies and fellowships from Europe and around the world on the <u>EURAXESS</u> portal.
- 7. Now apply for an opportunity that is aligned with your research expertise!
- 8. If you have participated in a Horizon Europe grant, mentor an Early Career
- Researcher and/or support colleagues from your institution to apply for a HE opportunity.
- 9. Leverage on your personal networks and encourage institutions from Europe and Southeast Asia to join or form an international research consortia.
- 10. **Explore Open Science Principles** and incorporate them into ongoing and future research. Check out the <u>Open Science Guide to Horizon Europe</u>.
- 11. **Incorporate Gender Equality measures** into your research proposals and practices. Check out how the EU aims to achieve gender equality in research.

- 12. Integrate interdisciplinary approaches in your projects to tackle complex challenges.
- 13. Align your research with sustainability goals! In this context, learn more about the European Green Deal objectives.
- 14. Take a look and **learn from <u>successful Horizon Europe projects</u>** to enhance your proposal evaluation knowledge.
- 15. Strengthen the societal impact of your work! Share your work and engage with policymakers and stakeholders from your community.
- 16. Contribute to a Citizen Science Project to enhance societal engagement in your research.
- 17. **Contribute to a Policy Brief** based on research insights to inform policymaking in the EU and/or your country.
- 18. Don't forget to share your work and research achievements with us. At EURAXESS ASEAN, we love to promote impactful stories that connect research, science and positive change for the society.
- 19. Familiarise yourself with the EU's mission-oriented research programmes that address grand challenges which the world faces today. Get involved: Adaptation to Climate Change; Fight Cancer; Restore Oceans and Waters; Climate-neutral and Smart Cities; Healthy Soils. More here:
- 20. Join a European Research Network or association relevant to your discipline.
- 21. Keep an eye on the EU's Funding and Tender Portal and don't miss upcoming opportunities.
- 22. Participate in a Horizon Europe brokerage event to connect with potential collaborators.
- 23. Read the article about "The science of reaching goals".
- 24. Follow up on your New Year Resolutions and goals. Advice from number
- 23: Whatever the decision on the goal may be, make it strategic.
- 25. Last but not least: attend our first webinar in 2025! Details are above.
