LEAD TRAINER

RAI ANTONIO

CHIEF PROCUREMENT OFFICER - EPLDT,
HEAD OF PROCUREMENT - PLDT

Rai Antonio is a seasoned procurement and supply chain executive with over 15 years of experience in global procurement, strategic sourcing, and supply chain management. He has held senior leadership roles across leading multinational corporations, driving cost efficiencies, supplier partnerships, and digital transformation initiatives.

Currently serving as the Chief Procurement Officer & Head of Procurement at PLDT, Inc. and ePLDT, Inc., Rai oversees a US$2.2 billion annual procurement budget and leads a team of over 80 professionals. Since his promotion in 2023, he has successfully delivered US$350 million in cost savings and introduced a Supplier Strategic Partnership Program to strengthen vendor relationships and procurement efficiency.

Prior to this, he held a regional leadership role at Citibank N.A. ROHQ, managing US$400 million in annual technology procurement across the Asia-Pacific region. Under his leadership, the organization achieved US$25 million in annual cost reductions, launched the Asia Supplier Diversity Program, and established a Risk Management Framework to optimize procurement operations.

His earlier career includes key positions at Accenture, Emerson Electric Asia, and Toyota Motor Philippines Corporation, where he played pivotal roles in technology category management, supplier development, and procurement strategy implementation.

A highly accomplished professional, Rai holds a Master of Business Administration from De La Salle University and certifications in Supply Chain Management (International Trade Center, Geneva) and Advanced Procurement Management (Michigan State University, USA). He is also a Certified Professional in Supply Management (CPSM) from the Institute for Supply Management, USA.

Throughout his career, Rai has been recognized with multiple industry awards, including the Global Supply Chain Leader Award, Gawad Sinop Procurement Excellence Award, and Outstanding Data Center Procurement Award in ASEAN. His expertise in digital procurement, AI integration, risk mitigation, and supplier relationship management has positioned him as a thought leader in the procurement industry.

With a passion for innovation, cost optimization, and sustainability, Rai Antonio continues to drive procurement excellence, ensuring that businesses remain competitive in an ever-evolving global marketplace.

COURSE OVERVIEW

This course provides procurement professionals with a deep understanding of digital transformation and AI-driven innovations in procurement. Participants will explore how AI, automation, and digital tools enhance sourcing strategies, supplier management, risk mitigation, and cost optimization.

COURSE OBJECTIVES:

- **Definition and evolution of digital procurement**
- **AI-Powered Procurement: Transforming Decision-Making (RPA, Data Analytics, and Procurement Intelligence)**
- **Blockchain and Smart Contracts in Procurement**
- **Ethical AI and Sustainability in Procurement**
- **Future Trends and Challenges in Digital Procurement**
