Subject: Experience the REAL United Nations at WIMUN Singapore 2025!, July 14-17, Sentosa Island, Singapore.

INSPIRING CHANGE FOR BETTER WORLD

Dear Assoc. Prof. Dr. Sarintip Tantanee

Warm greetings from the Secretariat!

The REAL UN Experience

The Association of Universities of Asia and the Pacific (AUAP) in collaboration with **the World Federation of the United Nations Associations (WFUNA)** will host the real UN Experience, called the International Model UN or WIMUN2025. WIMUN stands for the WFUNA International Model United Nations, a student-run conference organized by the World Federation of United Nations Associations (WFUNA) that simulates the United Nations, offering participants a realistic experience in international diplomacy and global affairs. WFUNA, the World Federation of United Nations Associations (WFUNA) is an organization that promotes the work of the United Nations and fosters global citizenship. **Model United Nations (MUN):** MUN is a simulation of the United Nations, where students represent different countries and participate in debates and negotiations on global issues. **WIMUN:** The WFUNA International Model United Nations (WIMUN) is a specific type of MUN conference organized by WFUNA. WIMUN aims to provide students with an opportunity to learn about the UN system, develop skills in negotiation, teamwork, and consensus-building, and gain experience in decision-making, diplomacy, and public speaking, and is the most accurate and realistic simulation of the United Nations and features the WIMUN approach, intensive training workshops taught by a former UN official, briefings on important agenda items by UN Agencies, and sessions at ***Sentosa Island, Singapore from July 14-17, 2025.*** More than 1,200 youth from around the globe will gather for a four-day program with educational and simulation components. There will be a university track and high school track, and the participants will have the opportunity to engage in a wide range of simulations of different UN bodies and agencies.

At WIMUN, we aim to foster global citizenship in our youth by educating them on current and relevant issues that the United Nations and international community is

facing and to equip them with the skills to research, negotiate, and resolve those issues together. All topics discussed at WIMUN are current items being considered by the UN itself on its Agenda, and participants are taught to prepare with UN resources and documentation in online webinars prior to the conference. With students coming from over 70 different countries in previous editions, and Secretariat members from every inhabited continent, WIMUN is the most diverse conference in the world and reflects the wide, international membership of the United Nations.
